	Discussion	Next Step
	1 - Effective enrollment strategy in new classrooms 2 - Identify, engage and mobilize families in advocacy efforts 3 - Identify, engage and mobilize civic and business leaders and funders/influencers	
Enrollment	Enrollment down at both campuses - trying to gain a deep understanding of why enrollment is down at RMP Creekside <ul style="list-style-type: none"> - 700 less Kinder students in DPS than what they were expecting - More families not show back up than what was expected RMP Creekside: Big jump in enrollment, but significant loss of students when DPS schools opened RMP 2: Net negative since the beginning of the year Last big push is this week - principals can sit on admin transfers if they choose to do so Wide range of attrition issues for various reasons Vast majority of time and effort has been put into enrolling, after Count Day, we are doing a deeper dive into reasons why families have left RMP <u>Fundraising/Parent Satisfaction</u>	Add to Family Survey "How many families are you planning on enrolling at RMP next year?" How many families were new to RMP returning? Add Lowry Fall Family Survey to community calendar Complete picture enrollment numbers for SW schools

<ul style="list-style-type: none"> - Important to dig in and learn lessons from families who have left RMP - Shifting from Network-level to school level leading enrollment <p>Looking at other schools in the surrounding area - most are fully enrolled.</p> <p><u>Questions</u></p> <ul style="list-style-type: none"> - How will broader stakeholders learn about our enrollment gaps? - How to get parents more involved in enrollment? 	<p>Ensure that parer involved in enrollr</p> <p>Talking points for how we're talking enrollment</p>
<p>Fundraising focus for FY16:</p> <ul style="list-style-type: none"> - Daniels - Anschutz - Tony Caine (Summit 54) <p>Building Champions</p>	<p>ED on point for fo end of next week Champions signu populating</p> <p>JC to share Build Champions list at meeting</p>
