	Discussion	Next Steps
ogy	Currently exploring and rethinking RMP's growth strategy as Denver's student population is projected to plateau. RMP's vision for impact remains the same, but what are the strategies to achieve that impact? The goal is to retain and improve upon quality of program as RMP continues to grow.	
ent and t	The DPS enrollment forecast is an additional 4,700 students by 2020. Stapleton and far NE is where DPS is projecting the highest demand increase. Factors pressing enrollment downward include lower birth rates and gentrification of Denver.	<i>Discuss prop FRL vs. non-BOD meeting retreat</i>
	Given the current context, the RMP team has identified three possible scenarios for growth. Committee members discussed the pros and cons of each scenario.
