Chapter One: The School

Mission

Rocky Mountain Preparatory School will educate children in grades Pre-Kindergarten - 5 with the rigorous academic preparation, character development, and personalized support necessary to succeed in a 4-year college and life.

RMP Equity Statement

At Rocky Mountain Prep, we believe that all children, regardless of where they are born, the color of their skin, their socioeconomic status, and other spheres of influence, deserve access to a great education. We believe that achieving educational equity and increasing access to opportunity is a moral imperative for our organization and country. Therefore, our commitment to Diversity, Equity, and Inclusiveness is not simply a priority, but a cornerstone of our mission, vision, and values as an organization.

The concept of meritocracy has long been central to the American Dream; if one works hard enough and tries hard enough, doors open and success is inevitable. However, institutional discrimination and prejudice leads to inequitable opportunities for many people, specifically those of color and those growing up in poverty, leading to a greater divide in access to opportunity inside and outside of the classroom. At Rocky Mountain Prep, we refuse to be complacent in perpetuating an environment in which demographics determine destiny. In turn, deeply understanding lines of differences is crucial to ensuring that, at Rocky Mountain Prep, we are building an educational environment that breaks down systems of oppression and ensures our scholars have increased access to high quality educational options beyond our classrooms and lives of opportunity.

We believe that to accomplish this work, we must build a diverse collaborative of individuals from all races, ethnicities, gender identities, socioeconomic statuses, abilities, sexual orientations, political views, religions, native languages, and other lines of difference, and ensure that all people are welcomed and supported, and their voices and experiences are reflected and valued. To accomplish this well requires an ongoing commitment that cannot live in a statement alone. This work is not owned by one person or group but instead is shepherded by every single person in our classrooms, meetings, hallways, and offices, as well as in our larger community.

Because Diversity, Equity, and Inclusiveness is so critical to the realization of our mission, and because we set strategy towards this vision, we, as a community, commit to reflection and action, grounded in our PEAK values.

School History

Rocky Mountain Prep was founded in 2011 with the belief that all scholars deserve an excellent education that prepares them for success in college and life. Since the first school opened in southeast Denver in August 2012, each child enrolled is part of a class of scholars creating and continuing a tradition of excellence in our community. In August 2015, Rocky Mountain Prep opened its second school in southwest Denver. In August 2016, RMP opened its third school, Fletcher, located in Aurora. In 2018, RMP opened its fourth school in northwest Denver.

As a network, we plan to grow our impact in Denver, Aurora, and the surrounding metro areas by opening more schools. We believe strongly in our mission to provide quality academic experience for all scholars and have a vision to operate 8 schools by the fall of 2021.

PEAK Values

Our PEAK values set the tone for our school culture and are woven throughout our interactions:

Perseverance	<i>We work hard through challenges</i>
Excellence	<i>We try our best on everything</i>
Adventure	<i>We have the confidence to explore, try new ideas, and take risks</i>
Kindness	<i>We treat ourselves and others with love and respect</i>

Vision

Rocky Mountain Prep is a place where scholars are held to high expectations and love learning. Scholars receive personalized support, participate in a longer school day and extended school year, wear a uniform and live at their personal PEAK. We offer a rigorous and engaging college preparatory curriculum that is directly aligned to national Common Core Standards.

School Culture

Our classrooms are led by positive, focused teachers where the love, sense of urgency and value of academic achievement is palpable. Our scholars love working hard and pushing themselves. It is not uncommon to hear scholars in and out of school refer to their academic growth or celebrate someone for their perseverance on a difficult task. Visitors to Rocky Mountain Prep are struck by our vibrant school culture. From the minute one walks in the building they will be surrounded by displays of our PEAK values and college-focused mission.

Chapter Two: Who We Are

James Cryan, Founder & Chief Executive Officer

James is the Founder & Chief Executive Officer of Rocky Mountain Prep. In 2012, James was named one of Denver's "Public Education Game-Changers." Prior to his work at RMP, James was a member of Teach for America where he worked as a 6th grade English teacher in southwest Denver. He graduated magna cum laude from Colby College and received his MBA in Principalship from the University of Denver.

Network Support Team (NST)

Rocky Mountain Prep is fortunate to have a Network Support Team supporting the work of our two schools. The NST ensures that RMP's core values, organizational goals, and practices are consistent across all schools. At the same time, the NST enables Principals and teachers to feel ownership over their work and an ability to pursue innovations that help RMP to continuously improve. The NST performs the following core functions for RMP:

- Steward values & organizational culture
- Define organization-wide performance targets
- Define and ensure consistency of the core school model and practices
- Hire and support Principals and hold them accountable
- Launch new schools
- Manage financial resources
- Facilitate sharing of effective practices and innovations
- Manage services that require specialized skills, brand consistency, or compliance (e.g., audit, teacher and student recruiting, authorizing, fundraising)
- Manage services where a scaled approach saves money/time for schools (e.g., IT, data, finance/accounting, transportation)

Board of Directors

The Board of Directors is a passionate and diverse group of individuals who have dedicated their hard work and professional experience to achieving the core mission of Rocky Mountain Prep. This group has expertise in nonprofit governance, finance, community leadership, curriculum, facilities management, and instruction and assessment.

Chapter Three: Scholar Conduct

Arrival and Dismissal

RMP works diligently to ensure that arrival and dismissal are safe for scholars and families and are as efficient as possible for everyone involved. Please see the following policies for arrival/dismissal:

<p>Arrival</p>	<ul style="list-style-type: none"> ● The school entrance is locked until 7:45am. ● Scholars are not to arrive to school early as there will be no one to supervise them. ● The school opens to scholars at 7:45am each morning and scholars must be in the doors by 8:00am. After 8:00am, a scholar is tardy and all families must enter the front office to sign in their scholar.
<p>Dismissal</p>	<ul style="list-style-type: none"> ● Pre-K scholars must be signed in and out of their classroom by a guardian or family member listed on the emergency contact list on a daily basis. ● School is dismissed at 4:00pm Monday-Thursday and 12:30pm on Friday. ● If you are sending someone else to pick up your scholar you must notify the front office no later than 3:00pm (Monday-Thursday) or 11:30am (Friday) that day. ● The school entrance is locked from 3:30-4:00pm. If your scholar(s) must leave early they must be picked up before 3:30pm.
<p>Late pick-up policy (charging)</p>	<p>RMP Teachers and Staff use the time after dismissal to plan for upcoming lessons, to attend professional development sessions and to enjoy a healthy work-life balance. Late student pickups keep teachers and staff from these important activities and should be avoided. We understand that emergencies come up and ask that you call our main office if you will be late to pick up your child.</p> <p>Scholars who have not been picked up after dismissal ends will be held in the main office for pickup by an authorized contact and a late pickup fee of \$1 per minute late per student will be assessed.</p> <p>Fees for the first late pickup will be waived and a reminder notice will be issued instead.</p> <p>If students are not picked up 30 minutes after dismissal ends (by 4:45 pm Monday-Thursday and by 1:15 pm on Friday) and we have not heard that you are on your way to pick up your scholar, we may contact APS safety and security so they can dispatch an officer to safely hold the child for pickup.</p>

Attendance

RMP is open from 7:45am-4:00pm Monday-Thursday and 7:45am-12:30pm on Fridays. Scholars who arrive after 8:00 am will be marked tardy.

Consistent attendance is key to achievement, and families are expected to ensure their children are in school every day. Please make sure your scholar is present every day except in case of serious illness or extreme circumstances, and please do your best to schedule appointments for Friday afternoons. We take all absences, tardies, and early pickups very seriously, as they can be detrimental to academic success. The most significant consequence of missing school is that your child will fall behind because Rocky Mountain Prep has a rigorous and fast-paced classroom environment.

If a scholar has more than 10 unexcused absences, s/he will be at risk of missing out on RMP activities, including but not limited to, field trips, dance performances, field day, and other celebrations. Scholars and families may also have to make up time after school or on weekends, during a tardy academy. In addition, scholars who miss more than 10 days per year will be considered for retention and may not be promoted to the next grade level. The school may file for truancy if a scholar has 15 unexcused absences in a year.

Absences	<p>ALL absences are treated as missed learning time. When an absence is unavoidable, please call the school to leave a message on the attendance line. With advance notice, teachers can give the scholar appropriate materials and homework. If a scholar sees a doctor, please bring a doctor's note so the absence can be designated as a medical absence. Absences accompanied by a doctor's note, for religious observances and due to a death in the family will be excused, all other absences are unexcused. When scholars are sent home from school because of illness, the absence that day and the following day will be excused. ALL other absences are unexcused. The table below summarizes the consequences of repeated absences and tardies:</p>	
All Uncommunicated Absences	<ul style="list-style-type: none"> ● Main Office Phone Call Home, Teacher Checks-in 	
3-9 Absences	<ul style="list-style-type: none"> ● Series of Intervention Phone Calls and Meetings 	
10 Absences	<ul style="list-style-type: none"> ● Attendance Contract Developed ● Truancy Warning Letter ● Retention Considered ● Scholar May be Required to Makeup Missed Time ● May be Ineligible to Participate in RMP Activities 	
15 Absences	<ul style="list-style-type: none"> ● Scholars Eligible for Truancy Filing 	

<p>Extended Absences</p>	<p>Consistent attendance is key to achievement, and families are expected to ensure their children are in school every day. Extended absences should be avoided whenever possible. All vacations should be planned during RMP breaks and over the summer. Families must notify the school of a planned extended absence to take a vacation, to visit family members abroad, or for other reasons.</p> <p>Families must meet with the Principal of their school to notify them if their scholar will miss school for an extended period of time. Whether the absences are excused or unexcused will be determined based on the reason for the absence in accordance to RMP's attendance policy (e.g. if they are traveling abroad for a family funeral, the absences would be excused, but if for a vacation, they would be unexcused). Extended absences will not be excused for other reasons.</p>
<p>Excessive leaving early</p>	<p>It is essential that scholars remain at school for the entirety of the school day in order to acquire the knowledge, skills, and confidence to meet the rigorous academic standards set at Rocky Mountain Prep. For that reason, early pickups should be avoided whenever possible. Families should make every effort to schedule any appointments after school, on the weekend, or on the consolidated list of days when school is closed. Early pickups after 3:30 aren't allowed except for emergencies. The Main Office will be closed from 3:30 to 4 to allow our teams time to prepare for dismissal. Early pickups are treated count as .5 of an absence and will count as missed time from school.</p>
<p>Medical Appointments</p>	<p>Please make every attempt to schedule medical appointments outside of normal school hours or after school on Fridays. If a scholar sees a doctor, please bring a doctor's note so the absence can be designated as a medical absence. Scholars will not be excused for the appointments of other family members.</p>
<p>Suspensions</p>	<p>Out-of-school suspensions are considered to be absences from school.</p>
<p>Tardies</p>	<p>Regular tardies can hinder success as learning starts as soon as scholars enter the building. It is very important that scholars are at school on time (by 8:00am). As with absences, we take tardies very seriously. Tardies accompanied by a doctor's note, for religious observances and due to a death in the family will be excused, all other tardies are unexcused.</p> <p>When your scholar is tardy, you MUST walk your scholar into the main office and sign them in.</p>

Truancy

A habitually truant scholar is defined as a scholar who has four unexcused absences or truanicies in any month or 10 unexcused absences or truanicies during any school year. If a scholar is absent 10 or more times in a year, this scholar is considered a habitual truant and will be considered for retention. If a student has 15 unexcused absences, the school may initiate an Attendance Filing in Juvenile Court. The school will submit an annual report to CDE (Colorado Department of Education) that reports the number of habitual truants.

Uniforms

All scholars must wear the Rocky Mountain Prep uniform to school every single day and on all field trips. Please see below for a description of the Rocky Mountain Prep uniform by grade level. School uniforms are important for several reasons:

- **Safety:** Uniforms allow us quickly to identify all scholars as Rocky Mountain Prep scholars.
- **Community:** Uniforms unite us in our mission to prepare for success in college. When a scholar wears their uniform, they know they are held to high expectations as part of our school-family.
- **Professionalism:** Every scholar’s most important job is to be a great scholar. Uniforms unite us in the belief that we are professional and we take our jobs as scholars seriously.

On some days the school may designate non-uniform “dress down” days. Those decisions will be made in advance by the Principal.

** Please note that families must contribute to the cost associated with their scholar’s uniform. Please contact staff with questions about these fees or to schedule a uniform payment plan.**

PLEASE READ CAREFULLY. If it’s NOT on the list, do not assume it is ok!

ALL SCHOLARS	Pre-K:
<p>Undershirts: Undershirts are allowed under the uniform and must be the following SOLID colors (no stripes, dots, etc):</p> <p style="text-align: center;"><i>Navy Blue Black White</i></p> <div style="text-align: center;">  </div> <p>Leggings: Leggings are allowed under the girls’ dresses and skirts and must be the following SOLID colors (no stripes, dots, etc):</p> <p style="text-align: center;"><i>Navy Blue Black White</i></p> <div style="text-align: center;">  </div> <p>Shoes: Solid, plain black shoes: slip on, velcro, tennis shoes, dress shoes or boots. No logos. No heels, open toe or light up shoes. For snowy or rainy weather, scholars may wear boots to school</p>	<p>Grey polo shirt with RMP logo. Navy blue pants or shorts.</p> <div style="text-align: center;">  </div> <hr/> <p style="text-align: center;">Kinder - Fifth Grade:</p> <p>Light blue polo shirt with RMP logo. RMP dress/jumper, skirt, navy blue pants, or shorts.</p>

but **MUST** change into their black shoes once in the building.

Socks: Solid white, navy blue or black.

Other: Accessories are fine, if they are distracting to learning they will be put in scholar's backpack. Sweaters, jackets, or coats to be worn inside must be solid navy.

Change of Clothes

All families with scholars in Pre-K and Kinder must send one change of clothing with your scholar on the first day of school to be kept in the classroom in the case of an accident. The change includes underwear, pants, plain polo shirt and socks. If a change of clothing is not provided, parents will be called in the case of an accident to come to school with a clean change of clothing for your scholar. If you cannot bring a change of clothes to school, we will provide the scholars with a change of clothes and you will be charged.

Uniform Reminders

Below is the process in which uniform reminders will be tracked and communicated from staff to families.

***All scholars who are out of uniform will receive a loaner uniform for the day and are expected to return the following day in full correct uniform ***

Reminder Recurrence	Action/Follow Up
Uniform Reminders #1-3 :	<ul style="list-style-type: none"> ● A uniform reminder slip will be sent home in the scholars folder with a request to have uniform corrected by the next school day.
Uniform Reminders #4-5 :	<ul style="list-style-type: none"> ● The scholar will be sent home with the correct uniform to keep and the family will be charged for the cost. The family will receive call from front office before charge.
Uniform Reminders #6+ :	<ul style="list-style-type: none"> ● The family must meet with the front office or an Assistant Principal to find a solution going forward and to ensure the family and scholar feel supported.

Student Technology Use

Rocky Mountain Prep believes that all students should have access to technology when they act in a responsible, efficient, courteous and legal manner. Internet access and other online services, available to students and teachers, offer a multitude of global resources. Our goal in providing these services is to

enhance the educational development of our students. All school Internet use is filtered and monitored. Acceptable uses of technology are devoted to activities that support teaching and learning.

Before using RMP technology, all students must sign and return RMP's Student Technology Acceptable Use Policy. Violations of this policy may result in students losing technology use privileges and families will be responsible for paying to replace RMP Technology that is intentionally damaged by students.

Cell-phone policy

RMP's priorities in crafting a cell-phone policy are both to ensure parents can communicate safely with their scholars and to minimize distractions in classrooms. We recognize that some parents may want their scholars to have cell-phones for safety/communication reasons. However, RMP's policy is that cell phones can not be seen or heard on campus because they are a distraction to learning. Staff members will remove any cell phones that are seen or heard, and an adult family member can pick them up at the front office at the end of the day or the next morning. The scholar will also receive an appropriate consequence for having a phone out and/or using it on campus. If a scholar's cell phone is stolen, Rocky Mountain Prep is not liable and cannot guarantee its recovery. Please consider leaving all technology at home.

School Culture

At Rocky Mountain Prep we foster a culture of rigor and joy where scholars live at their personal PEAK:

- **Perseverance:** *Scholars work hard through challenges*
- **Excellence:** *Scholars try their best on everything they do*
- **Adventure:** *Scholars have the confidence to explore, try new ideas, and take risks*
- **Kindness:** *Scholars treat themselves and others with love and respect*

To support this, we proactively teach and coach children in developing social-emotional skills just as we do academic skills. We take the time to create structures, rituals, and routines that support social-emotional development. We recognize emotions and social conflict as an opportunity for growth and talk children through these experiences. Sometimes, as scholars are developing skills sets, they need extra support. When this is the case we work with families and scholars to provide small group or individualized supports.

Social Emotional Learning (SEL)

Scholars must learn and develop core foundational social and emotional skills to be able to live at their personal PEAK. We believe emotional and social skills, like academic skills, can be learned. We provide explicit instruction and practice to help scholars learn how to regulate emotions and properly use social skills. We actively support scholars when they are upset through emotional coaching.

Discipline policy

Note: RMP revisits our discipline policy periodically to make sure we're as effective as possible. If this policy is revised over the course of the year, an addendum will be added to the RMP website.

Scholar Discipline

We know scholars need strong boundaries. Part of their development is to test those boundaries. In these situations it's our job to confirm the boundaries and provide consequences for actions. By pro-actively teaching & coaching, reactively problem-solving, and giving consequences, we teach our scholars the skills necessary to live at their personal PEAK. We recognize that, just as some scholars need extra help learning academic skills, some scholars may need additional support learning emotional and social skills. If that is the case, School Administration will work closely with teachers, scholars and families to help all scholars learn and grow and ensure a safe, productive and joyful learning environment for all scholars.

When appropriate, the teachers and the School Administration have the authority to decide appropriate consequences for scholar behavior. If scholars choose to break rules, they may lose privileges (such as choice time, field trips, etc) if it makes sense to do so.

PEAK Violations

As a community of learners, our actions affect others. Similarly, one scholar's actions may affect a roomful of other scholars' learning. There are certain behaviors that violate our school-family's purpose of learning and loving one another; these behaviors are unacceptable. In order to ensure ALL scholars have every opportunity to learn and love, we will handle these behaviors in a way that preserves the dignity of the scholar who is disrupting our school-family as well as protect and preserve the learning time of the rest of the scholars. If a scholar repeatedly engages in behaviors that violate the respect, emotional safety, or physical safety of those, we become concerned and take action as a school-family. While individual plans for individual scholars may vary, the approach is the same. The first phase of repeated PEAK Violations is to provide additional supports and directly involve families.

Below are examples of PEAK violations. Behaviors include but are not limited to:

Physical Safety	Emotional Harm	Outward Disrespect of Adults
<ul style="list-style-type: none">● Hitting, punching, spitting, kicking, etc.● Retaliation hit/punch● Rough play with intent to harm● Using physical aggression to express feelings	<ul style="list-style-type: none">● Bullying● Gossiping● Blaming someone for something● Verbal threat (ie. "I'm gonna hurt you!")● Cursing● Hate language	<ul style="list-style-type: none">● Talking back (ie. saying NO)● Walking away from the teacher● Covert defiance (ie. saying yes but still doing something anyway)● Mimicking the teacher

<ul style="list-style-type: none"> ● Tantruming (ie. throwing objects, screaming, etc.) 	<ul style="list-style-type: none"> ● Name calling, mimicking another scholar to the point of discomfort 	
<p>No Tolerance Policy Behaviors</p> <ul style="list-style-type: none"> ● Tantrum (lasts more than 5 minutes) ● Leaving the protection of an adult without permission ● Physical aggression towards other scholars or adults (biting, kicking, punching, throwing objects, physical harm to self) ● Vandalism 		

PEAK Violation Process

All violations result in a violation slip that must be signed and returned. Parents/guardians will receive a phone call. PEAK violations reset quarterly.

- If your scholar receives a **PEAK violation** you will receive a phone call home and he/she will need to fill out a reflection.
- If your scholar receives more than **3 PEAK violations** during a quarter, your scholar’s teacher or an Assistant Principal will reach out about next steps which may include additional support including behavior interventions or an individual behavior plan.

First Eight Weeks Policy

Setting a strong school culture from the beginning of the year requires us to put down hard lines so that scholars know what behaviors are unacceptable. We know that the shift into a new school year can be a hard change for all scholars, and this change can cause behaviors and mindsets that are detrimental to the scholar and to those around him/her. When any PEAK Violation behavior occurs within the first 8 weeks of school, scholars may be put in ISS (in school suspension) at the administration’s discretion. Scholars in can spend up to a full day in ISS at the administration’s discretion. All scholars will have time to calm down, reflect on their actions, complete grade-level classwork and prepare to make amends with anyone necessary (ie. apology notes, conflict conversations, etc.) to be ready for a successful return to their classroom at the end of the day. This policy is here to ensure that as a community we value safety above all else and send a clear message immediately to scholars that these types of behaviors will not be tolerated in our community.

No Tolerance Policy

The No Tolerance Policy Behaviors listed above are grounds for suspension all year. In addition, if a scholar continues to engage in a behavior throughout the year that is unsafe, violent, and/or disruptive to learning, brings a weapon to school, brings drugs or alcohol to school, engages with another student or staff in a sexual manner, attacks another student, or attempts physical harm to themselves, etc, administration will intervene immediately. In instances of this nature, parent, teachers, and administration will discuss immediate next steps which may include: contacting parents, consequences, APS safety and security, mental health assessment, or social services. If the scholar engages in this behavior repeatedly on campus, scholar will be suspended and we will contact Aurora Public Schools Safety and Security for an officer to respond.

Bullying Policy

- A. Bullying is defined as:
- Any written or verbal expression, or physical or electronic act or gesture or a pattern thereof intended to coerce, intimidate, or cause any physical, mental, or emotional harm to any student.
 - Including but not limited to any such behavior that is directed toward a student on the basis of his or her academic performance or against whom federal and state laws prohibit discrimination upon any bases described in section 22-32-109(1)(11)(I).
 - 22-32-109(1)(11)(I): The schools and districts are subject to all federal and state laws and constitutional provisions prohibiting discrimination on the basis of disability, race, creed, color, sex, sexual orientation, national origin, religion, ancestry, or need for special education services.
- B. Bullying has been prohibited against any students for any reason, and has been prohibited on district/school property and at school-sponsored activities.
- C. Students who have engaged in bullying or students who have retaliated against a student who has reported bullying have been appropriately disciplined.
- D. The superintendent has developed a comprehensive bullying plan/program which includes the following:
- Bullying will not be tolerated
 - Staff and students have been trained to prevent bullying
 - Procedures have been implemented for immediate intervention, investigation and discipline for students who bully
 - Efforts have been made to change behavior of bullies
 - Partnership with parents and the community have been established to maintain a bully-free environment
 - Victims of bullies have been supported
 - Positive and supportive student behaviors have been consistently recognized and praised

Chapter Four: Family Engagement

Families are essential partners at Rocky Mountain Prep. We recognize that our scholars' families are their first and longest-lasting teachers and that we must actively partner with families to ensure scholars are successful at RMP and beyond. It is often said that it takes a village to raise a child, and at Rocky Mountain Prep, we all work together to create our village; a school-family. When you sign the PEAK contract, spend time in your scholar's classroom and participate in community events and parent leadership opportunities you are supporting our school-family. Our mission to close the opportunity gap for kids in Denver and Aurora requires the collective power and action of schools, teachers, staff, and families. That is why we strongly encourage all families to actively participate in this partnership with their school community by engaging in opportunities to lead or volunteer at our schools.

Parent Opportunities for Partnership at RMP

Family and Teacher Conferences: There are two formal family/teacher conferences throughout the year; in the late fall and in the spring. Conferences are mandatory as they are an important time to discuss your scholar's academic goals and progress. They are also an important time for the school administration to gather formal feedback on family satisfaction with the school's performance through the Family Satisfaction Survey.

Family Leadership Group: This includes school specific parent leadership groups and our network CEO Advisory Council. The parent leadership group is essential in increasing parent voice in our school/networks and establishing meaningful lines of communication between the school and families. This groups also helps increase opportunities for all families in the school to get involved in improving the school or advocating outside of the school. As leaders and advocates, our families have the strongest voice to create systems-level changes to close the opportunity gap.

Family Nights: These events give families an opportunity to connect with their scholar's teacher as well as other families in our school community. These events will be advertised in our family newsletter and all families are encouraged to participate. These events will often center around academics--families will have a chance to learn more about what their scholars are doing in school as well as get resources for supporting scholars at home.

Coffee Hours: The school leaders host a monthly coffee hour to provide families with a time to learn school updates, share feedback, and ask questions with coffee and a light breakfast. These events will be announced in our monthly school newsletters and calendars.

Volunteering: We adhere to an inclusive and welcoming "open door" policy with our families and provide a broad and creative range of opportunities for them to get involved with their child's education. Families can volunteer by participating in a number of things, such as supporting in the classroom, attending field trips, doing work for the classroom at home, and more. Opportunities to volunteer will be shared in the school newsletter or families can contact the school family liaison to learn more.

Chapter Five: Academics

Rigor

Rocky Mountain Prep will offer a rigorous and engaging college preparatory curriculum that is directly aligned to national Common Core Standards. Teachers will use a backwards-planning approach to plan, execute and assess rigorous, relevant lessons. This approach to curriculum design is used nationwide by high-performing schools and helps teachers establish a clear vision of learning for the year. Teachers supplement this foundation with curricula that reflects the diversity of our scholar body. Our teachers and staff will work diligently to make sure that all scholars are on or above grade level and will provide interventions and supports for those who are not.

Literacy

Proficiency in literacy skills is vital in order to become a successful scholar and college graduate. RMP has a major focus on English Language Development, oral language development, reading, phonics, and writing as part of our curricula as well as assessment plan. During each day scholars will spend at least 3 hours engaged in reading and writing instruction. Throughout the entire school day, staff takes every opportunity to lift our scholars' language; building their language as the tool to access learning.

More Time to Learn

Rocky Mountain Prep has an extended school day and calendar year that differs from most APS schools. This extra time allows for a rigorous curriculum with a focus on literacy and math, inquiry-based science, daily differentiated instruction, and dance.

Blended (Online) Learning

A crucial piece of our individualized support and academic program is the use of computer-based math and literacy curricula that scholars access online. This piece of our program allows scholars to deepen their skills and knowledge exactly at their level, as well as enjoy focused small-group instruction with the teacher. This instruction happens within the classroom and is connected to scholars' daily learning.

Personalized Support

We believe that every scholar can thrive in a culture of high expectations and accountability. To ensure that each Rocky Mountain Prep scholar is successful, we are committed to frequent use of achievement data and assessments and a robust Multi-Tiered Support System (MTSS) program, where scholars will receive focused instruction in small-group settings.

High-quality Pre-Kindergarten

Research clearly shows that the most important learning happens before a child reaches 3rd grade. We are excited to offer an excellent Pre-K program that prepares scholars with the academic, social-emotional and physical skills necessary to be a great scholar and reach their PEAK.

Academic Systems

Policies & Procedures

In order to ensure that all RMP scholars are prepared for success, we all must commit to supporting them in completing the appropriate work both inside and outside of school. Strict adherence to the following policies and procedures are critical to ensure our scholars are prepared for college and life.

<p>Homework Policy</p>	<p>Homework is an essential ingredient in our scholars’ education. We use homework to communicate class skills with parents and review key concepts. Homework reinforces skills that are taught each day in class, helps scholars develop deeper understandings of concepts, and promotes excellent habits of responsibility.</p> <p>Your scholar will be given approximately 30 minutes of homework each evening (15 minutes of reading, 15 minutes of worksheets, spelling words, or sight word practice). The expectation is that this homework is done and completed every night and returned to school the next day. Teachers will check the homework and send it back to you with feedback if there are concerns. Teachers will not send back homework if it was done correctly. Please contact your scholar’s teacher if you are seeing a pattern that it is taking your scholar significantly more time to complete the homework.</p> <p>If homework is not completed and signed off, you will receive a homework violation slip for the first day. If homework is not completed for the 2nd time in a week, your scholar will have to attend Homework Academy during recess for one day. If this is a repeated issue and your scholar has attended homework academy twice in a month, you will be asked to come into school to meet with the Principal or Assistant Principal and make a plan to help your scholar be successful in completing their homework on time.</p>
<p>Homework Folders</p>	<p>Every day your child will bring home a daily homework folder, which includes homework, a PEAK behavior log (except in Pre-K) reporting classroom behavior for the week, their independent reading log, and a monthly calendar of events. Please review all materials each day and leave comments in the provided space. The homework and reading logs must be filled out completely each night with a parent/guardian signature, and all assigned homework must be completed and in the folder. All school-wide and grade level communication (RMP newsletter, field trip permission slips, etc) will come home on Thursdays. Parents must check the homework folder every single day for homework.</p>
<p>Independent Reading</p>	<p>The best way to improve a scholar’s reading skills is to READ, READ, READ! Scholars are expected to read independently (or with a family member) for a minimum of 15 minutes every night (including weekends and holidays). Reading material may include books from school, from home, comics, newspapers, magazines, websites, or materials about a topic your child loves (soccer, dinosaurs, dance, for example).</p> <p>There are no shortcuts to success and while children may be tempted to cut corners, this will only hurt your child’s growth in the long run. Do not sign the log if you do not actually read with them or see them reading. If you have questions about Independent</p>

	Reading please contact the teacher. We hope this becomes an enjoyable time that you and your child look forward to. Success brings more success, so we want your child to identify as a successful reader early on.

Scholar Promotion Policy

Through rigorous data usage and careful progress monitoring, we are able to closely monitor and support scholars who are struggling. Rocky Mountain Prep will use the following promotion policy, to ensure that every child is successful and on track to be successful to and through college.

Grades	Criteria	Metrics
K-2	Reading Level	MAPs Assessment, STEP Literacy Assessment
3-5	Reading Level Math Achievement	MAPs Assessment, STEP, Interim Assessments (> 70% average)

Any scholar who is below grade level in the above criteria as determined by multiple metrics, or whose unexcused absences exceed 10 in one year will be a candidate for retention. Our grading policy is found below. Please note that our grades are not the sole metric for promotion; many variables including age, social/emotional needs, English language acquisition, and more will be taken into account. **A scholar’s Individual Education Plan may amend this promotion criteria.*

Grading Policy

While grades aren’t the sole indicator of scholar achievement at Rocky Mountain Prep, they are important in parent-teacher communication about scholar performance. Our academic demands are critical for preparing scholars for excellence in high school and college; as such, it is important to measure scholar performance, including assessments, homework, in-class work, participation and other assignments. This work will be graded in relation to scholar mastery of standards, skills, and subskills. Report will be shared quarterly. Conferences will be held in October and April. December and June report cards will be sent home with scholars. If teachers or staff a significant concern, they hold a conference beyond the normal conference times. If you ever have questions about a scholar’s performance, please reach out to their teacher to schedule a meeting.

Chapter Six: School Policies

Closed Campus

Rocky Mountain Prep is a closed campus. Rocky Mountain Prep hours are between 7:45am and 4:00pm. Monday through Thursday and 7:45 and 12:30 on Fridays, during which all scholars must remain on the campus as defined by the school unless supervised by a staff member. All visitors must be allowed into the building by the front office staff. Scholars who are excused at dismissal time may leave campus if they do not have other obligations. When on campus, scholars must always be in class and under supervision of an adult.

To ensure scholar safety during arrival and dismissal (high traffic times of the day), no one will be allowed to enter the building from 7:30-7:45am and 3:30-4:00pm. Should families choose to arrive at this time they will be asked to remain outside until the doors open. Scholars who need to leave campus early must be picked up by a parent/guardian or authorized individual with a photo identification by 3:30pm.

Visitor Policy

Visitors, especially parents and families, are a vital and important part of the Rocky Mountain Prep community. We welcome them as volunteers, observers, and partners. In order to assure the safety of our scholars and staff, an individual wishing to volunteer on a regular basis beyond with his/her child, or who will be left alone with scholars, is required to complete a volunteer application and undergo a background check. More information on background checks can be found at <http://security.aurorak12.org/volunteers>. Once approved, visitors must sign in and out of the front office and wear a visitor's badge for the duration of their visit. Any visitor who does not report to the office, or is found in the building without authorization and a visitor's pass, will be asked to leave immediately.

Visitors may enter classes during the regular transition times and may leave at any time. Visitors should only interact with scholars during instructional times if given permission from the teacher. When discussing observations with other visitors, please keep voices low in the hallways so as not to disturb learning.

On the first day of school, families are able to come into the school to drop off their scholar and say goodbye. After the first day of school, please note that at the beginning of each school year, parents and families will only be allowed in the building after two full weeks of school in order to get them adjusted to our systems and routines. Pre-K families may enter the building to drop off and pick-up their scholars as required but will not be allowed inside the classroom until after this two week period.

Scholar Emergencies

In case of an emergency, parents or guardians should contact the front office either by phone or in person. Under no circumstances should parents or guardians contact scholars in their classrooms, including after-school activities, or attempt to withdraw scholars from the building without notifying and receiving permission from staff members in the front office.

Accident or Medical Emergency

If a medical emergency occurs to a scholar at school, first aid will be administered and the parent(s)/guardian(s) of that scholar will be contacted immediately. If parent(s)/guardian(s) cannot be reached, a person listed on the scholar’s health form (or emergency contact card) or the family physician will be contacted. If the situation warrants, the school will call Emergency Medical Services (911). If there is a serious accident at school, parent(s)/guardian(s) of the affected scholars will be notified immediately. In the event that the parent(s)/guardian(s) cannot be reached, the family physician or persons indicated on health forms will be contacted. First Aid will be administered as needed. **PLEASE KEEP YOUR CONTACT INFORMATION UPDATED** with the front office so we are able to reach you.

Mandatory Reporting

All school personnel are mandatory reporters and are required by law to report child abuse or neglect if they reasonably suspect abuse or neglect is occurring. All APS staff are required to complete Mandatory Reporter training every year. To report child abuse or neglect, contact the Colorado Child Abuse and Neglect Hotline at 844-264-5437.

Emergency Procedures

At RMP, the safety of our scholars is our number one priority. We have detailed emergency plans in place and have trained our staff on how to respond to a variety of potential situations, including but not limited to fire, tornados, medical emergencies, terrorism, utilities malfunctions, threats to security outside our school building, and potential intruders.

In case of an emergency, parents or guardians should contact the front office either by phone or in person. Under no circumstances should parents or guardians contact scholars in their classrooms, including after-school activities, or attempt to withdraw scholars from the building without notifying and receiving permission from staff members in the front office.

For safety reasons, RMP does not release our detailed emergency procedures. Below is a high-level overview of emergency situations our staff is trained to respond to.

In case of a more serious emergency, should it be necessary to evacuate our school before, during, or after the school day—and it appears that we will be unable to return to the school for an extended period of time— school staff and scholars will evacuate from each of the school’s buildings. If there is a need to evaluate off-site, we our off-site location where we will gather students and staff safely is Aurora Central High School - 11700 E 11th Avenue, Aurora, CO 80010. Parent/Guardian Conduct Policy and Grievance Procedure

In order to ensure our full community reflects our PEAK values and the culture we all aspire to, the following document is a parent conduct policy and grievance procedure for all RMP campuses. This document is intended as a supplement to the parent handbook for the 17-18 school year.

As outlined in the PEAK contract signed yearly, as Rocky Mountain Prep staff we work tirelessly to operate elementary schools where all students are on-track to succeed in a 4-year college and in life. This includes our commitment to:

- Arrive at school on time and prepared for an academically rigorous, values-driven environment every day
- Assess scholars regularly and fairly
- Enforce all rules and policies consistently and fairly
- Communicate with parents openly, honestly and frequently with both positive and constructive feedback
- Maintain the highest standards of academic performance and conduct

As we strive to create transformational learning spaces for all of our scholars we recognize that we can not do this well without partnering with families and engaging our communities. Families are our scholars' first and longest lasting teachers. RMP staff works hard to partner effectively with parents and guardians to ensure our scholars are successful while at RMP and beyond. As part of that partnership, we welcome and encourage parents to participate fully in the life of the school. The purpose of this policy is to outline expected conduct for any partners visiting our campuses so we can continue to thrive, progress and achieve as community:

We expect parents and any other visitors to:

- Demonstrate our shared PEAK values of Perseverance, Excellence, Adventure, and Kindness
- Treat others with dignity and respect
- Commit to learning as much as possible about RMP's approach to be able to support their scholar
- Follow the school's rules, calendars, deadlines and expect your scholar to do the same
- Speak respectfully to teachers, staff and other parents whenever on school grounds, especially when there is a disagreement
- When on school grounds, speak only to their own scholar about a concern, not to other scholars or other parents/family members

- Build a bridge of acceptance and understanding, and expect your scholar to do the same, among the different cultures represented at the school
- When concerns arise, follow the grievance policy outlined below to ensure any issue is appropriately addressed
- Have appropriate permissions to enter school grounds, including signing in

Civility code

RMP requires that all communication with parents, guardians, or any other community partners be mutually respectful. The school will retain the right to end any meeting or phone conversation in which the volume, tone, or substance of the communication is rude (name-calling or frequent interruptions), profane (cursing or profane language), or threatening. Moreover, when conversations have clearly gone past the point where productive problem-solving is an option, the school reserves the right to end the conversation and schedule additional time at a later date. If any parent, guardian, or community member believes staff has not responded appropriately and with respect in any discussion, they should follow the grievance policy outlined in the next section.

RMP staff reserves the right to require parents, guardians, or community members who violate the civility code to provide written requests for meetings, outlining the nature of the concern and with whom they would like to speak. The school also reserves the right to require parents who have violated the civility code to either meet off-campus at an agreed-upon location (e.g. a public library, community center) and/or to meet on campus 30 minutes after school ends. The school reserves the right to include additional staff in a meeting. The school reserves the right to bar an individual from the school site if there are repeated violations in order to ensure the safety of all scholars and staff and to ensure that there is a calm, productive, positive learning environment for all scholars.

Grievance Procedure

The Rocky Mountain Prep Board has defined a clear process for any complaint, grievance or concern by a parent or guardian of an enrolled RMP student. The following is a summary of the grievance policy. Please request a copy of board bylaws for the full policy and process.

Step 1 - Raise the concern: Any parent/guardian of an enrolled RMP student should first raise and attempt to resolve the issue with the person who is the subject or source of the dispute.

- Disputes about classroom or related practices should first be raised with teacher(s) / staff,
- Disputes about general practices or administrative actions at the school level should first be raised with the Assistant Principal, the Principal, and then the principal's manager
- Disputes about network central office practices should first be raised with the staff involved
- Disputes related to general practices of the central office should go to the CEO

Step 2 - Initiate a grievance: If an issue or dispute is not resolved at Step 1, the parent/guardian may put such grievance in writing, submitting it to the next highest level in the RMP administrative chain of command. For example, a dispute first raised with a teacher must be filed at Step 2 with the Assistant

Principal or Principal, and a dispute first raised with central office staff must be filed at Step 2 with the CEO. The written grievance must address the following questions:

1. What is the issue and what step have been taken to resolve it?
2. Is there a person your grievance is against? If so, who?
3. Are there any relevant witnesses? If so, who?
4. What would you like to see changed as a result of raising the grievance?

Step 3 - CEO Review: In the event the parent/guardian who wrote a building-level grievance is not satisfied with the resolution presented by the Principal and thereafter wishes to initiate a further review, he or she must, within 14 business days of the Principal's decision, ask for review by CEO.

Step 4 - Board Review: The Board may undertake to review a dispute under the following circumstances, at its sole discretion:

1. If the CEO has made recommendations for Board action; or
2. If the parent/guardian who escalated appropriately to the CEO, and is not satisfied with the resolution presented by the CEO and thereafter wishes to initiate a further review, he or she must, within 14 business days of the CEO's decision, ask for review by the Board
3. If the Board decides, due to extraordinary circumstances, overall sensitivity or importance of the issue, that a matter should be removed from review by the CEO and resolved instead by the Board

Confidentiality: Grievances may or may not concern matters that are confidential as a matter of law. In order to discourage rumors and promote effective dispute resolution, however, all parties to a matter are expected to maintain confidentiality during the grievance process to the fullest extent possible. RMP and the Board cannot and do not, however, guarantee the confidentiality of matters raised in grievances. If translators are needed for any confidential conversations, RMP may seek outside translators but will need at least 1 week notice before a meeting.

Harassment Exception: Any parent/guardian may skip a step in the "chain of command" if following chain-of-command would require having their grievance heard by a person they are making a complaint against, or expressing a concern relating to sexual harassment or other types of discrimination or harassment conduct or actions.

Non-Discrimination Policy

It is the policy of Rocky Mountain Prep to recruit, hire, train, educate, promote, and administer all personnel and instructional actions without regard to race, religion, sex, sexual preference, age, national origin, disability, need for special education services, marital status, or use of public assistance. We will not tolerate any discrimination, and any such conduct is prohibited. The school also prohibits any form of discipline or retaliation for reporting incidents.

Harassment

Rocky Mountain Prep is committed to maintaining a school environment free of harassment based on race, color, religion, national origin, gender, sexual orientation, or disability. Harassment by administrators, certified and support personnel, scholars, vendors and other individuals at school or at school-sponsored events is strictly prohibited. Rocky Mountain Prep requires all employees and scholars to conduct themselves in an appropriate manner with respect to their fellow employees, scholars and all members of the school community.

In general, harassment includes communications such as jokes, comments, innuendoes, notes, display of pictures or symbols, gestures, or other conduct that offends or shows disrespect to others based upon race, color, religion, national origin, gender, sexual orientation, or disability. What one person may consider acceptable behavior, may reasonably be viewed as harassment by another person. Therefore, individuals should consider how their words and actions might reasonably be viewed by other individuals. It is also important for individuals to make it clear to others when a particular behavior or communication is unwelcome, intimidating, hostile or offensive.

Sexual harassment includes sexual advances, requests for sexual favors, and/or other verbal or physical conduct of a sexual nature when:

1. Acceptance of or submission to such conduct is made either explicitly or implicitly a term or condition of education.
2. The individual's response to such conduct is used as a basis for educational, disciplinary, or other decisions affecting a scholar.
3. Such conduct interferes with an individual's education or participation in extracurricular activities.
4. The conduct creates an intimidating, hostile or offensive work or school environment.

Harassment and Retaliation Prohibited Harassment in any form or for any reason is absolutely forbidden. This includes harassment by administrators, certified and support personnel, scholars, vendors and other individuals in school or at school-related events. Retaliation against any individual who brings harassment or other inappropriate behavior to the attention of the school or who has cooperated in an investigation of a complaint under this policy is unlawful and will not be tolerated by Rocky Mountain Prep. Persons who engage in harassment or retaliation may be subject to disciplinary action, including, but not limited to reprimand, suspension, termination/expulsion or other sanctions as determined by the school administration and/or Board of Directors.

Scholar Records

Rocky Mountain Prep maintains important information files on each scholar. Parent(s)/guardian(s) and scholars may review those records with reasonable advance notice given to the school. School officials may obtain access to your records for educational purposes only. All individually identifiable educational information is confidential except for "directory" information. Directory information includes the scholar's name, date of birth, dates of attendance, degrees and other honors awarded.

Release of Photos and Other Information

Rocky Mountain Prep will periodically highlight scholar achievement, school life and school events on the school website, social media outlets and various publications, for the purposes of enrollment outreach, public relations, and other uses that promote the school. The school may also get media requests to highlight the school and its scholars. During the orientation process, each parent/guardian will be provided with the scholar Photo/Information Release form. The school will honor these forms, such that scholar photographs will be included in publications only if the parent/guardian has granted permission.

School Calendar & Closings

Rocky Mountain Prep follows Aurora Public Schools for all weather-related closures. However, the Rocky Mountain Prep calendar does not always align with the Aurora Public Schools calendar. You will receive a robo call and text blast notifications of any closures so please keep your contact information updated with the front office. **Scholars are still expected to be in school even when Aurora Public Schools is not in session. Any absences without a doctor's note or pre-approval from the Principal will be counted as unexcused.**

Medication & Allergies

We hope to keep our scholars healthy in order to learn most effectively. If your child requires medication during school hours, you must deliver it directly to the nurse with the proper doctor's order - do not send medication in your scholar's backpack. All medicines are kept in a locked cabinet and may not be given without the proper form. If your scholar has allergies, dietary restrictions or food preferences, please indicate on registration forms and alert the appropriate school staff during new family orientation.

Food Service

Rocky Mountain Prep partners with Nutrition Services at Aurora Public Schools to provide healthy breakfast, lunch and snack options for our scholars. Families may choose to complete a free-reduced lunch application at any point throughout the school year to determine their scholar's eligibility to receive meals at a free or reduced cost. Full price lunch costs \$2.40. Aurora Public Schools participates in the *Breakfast in the Classroom* program, in which students are offered nutritious meals in their first-period classroom. Through the program, all scholars receive a free breakfast, regardless of eligibility.

Healthy Bodies, Healthy Brains

At Rocky Mountain Prep we are committed to healthy food choices for our bodies. Balanced meals help scholars get the nutrients they need to focus and be at their personal PEAK. If you prefer to pack lunch, please send nutritious food and do not allow your scholar to have unhealthy drinks or snacks. Items such as sweets and sugary drinks are not allowed. If brought to school they will be sent back home. If you would like to celebrate your scholar's birthday, please make plans with at least one week's notice with your scholar's teacher.

School Fees

Breakfast is free for all scholars and lunch are free for all scholars that qualify for Free or Reduced Lunch. Families can apply for Free or Reduced lunch at <https://aurorak12.payschools.com/>. Families will be notified every week of their balances by APS Nutrition Services. Payments can be made directly to Directly to Nutrition Services at the school, or online at <https://www.payschoolscentral.com/>. Payment for uniforms must be made in full at the time of purchase. Families may be considered for payment plan options. Scholars who participate in any enrichment programs will be expected to pay any fees associated with the programs according to the timeline discussed with each program's director. Families will be notified about any unpaid balances by program directors, and payment plans may be set up. If a family does not adhere to the payment schedule, scholars will not be allowed to participate in these programs until payment is received. If families have outstanding balances at the end of the school year, they will be notified of further consequences by customer balance letters. As the school year progresses, scholar fees for various activities may apply, such as field trips or special events. Staff will provide notice in advance of fees so that families are given adequate planning time. If a family withdraws from Rocky Mountain Prep, all unpaid balances must be paid at the time of disenrollment in order to receive scholar academic records.

Family Education Rights and Privacy Act

Scholar education records are official and confidential documents protected by one of the nation's strongest privacy protection laws, the Family Education Rights and Privacy Act of 1974 (FERPA). FERPA applies to all schools that receive federal education funds, including RMP. Non-compliance can result in the loss of those funds. Confidential educational records include scholar registration forms, contact information, graded work, academic records, discipline files, social security numbers linked to names, and scholar information displayed on a computer screen. All school employees and volunteers are required to keep scholar information secure and confidential, to protect the rights of scholars.

The essence of this act is that:

- Parents/guardians have the right to inspect and review their own child's educational records (any records from which the scholar can be individually identified), to the exclusion of third parties. Scholars also have this right when they reach age 18. Rocky Mountain Prep responds to parental requests for scholar information only when they have been put in writing, within 72 hours.
- Parents/guardians and eligible scholars have the right to request that a school correct records believed to be inaccurate or misleading.
- Parents/guardians have the right to file a complaint with the U.S. Department of Education concerning alleged failures by Rocky Mountain Prep to comply with the requirements of the act.

Institutions and their employees may not disclose information about scholars, nor permit inspection of their records, without the parent or scholar's written permission unless such action is covered by certain exceptions as stipulated in the Act. FERPA prohibits all employees from discussing confidential scholar information with third parties, including parents and guardians. For instance, should two scholars engage in a disciplinary act together, the school is prohibited from naming or discussing the other involved scholar

in conversations with parents/guardians. Similarly, should a parent request an explanation of a discipline or academic event that did not involve his/her child, but which transpired in his/her child's classroom, the school is not permitted to disclose any names or details of events, nor disclose the resultant consequences.

Please understand that school officials—teachers, administrators and board members—must all comply with the expectations of FERPA and therefore may not discuss any scholar other than your own with you at any time or for any reason. One exception the law allows is “directory information,” which includes such things as name, address and telephone number. This information may be provided in a RMP Directory or School Pool for all families who do not state in writing that they wish to “opt out” of the directory.

Drinking Water Access Policy

To promote hydration, free, safe, unflavored drinking water shall be available to all students throughout the school day and throughout the school. Rocky Mountain Prep shall make drinking water available where school meals are served during mealtimes.

Students may bring and carry school approved water bottles, for the specific use of drinking water only, with them throughout the day. Students may take their reusable water bottles into any area where food or drink is permitted. Misuse of water bottles may be subject to disciplinary action.

Where appropriate and necessary, water coolers, pitchers or other portable water dispensers with cups shall be provided until permanent remediation measures are taken.

This mission can be best achieved when scholars, families, and school staff are all actively involved in education and working to meet the school's cultural and curricular expectations. We all share the responsibility of promoting student learning and, as educational partners, we value each person's contribution to our school community. The following contract outlines the expectations that need to be met to best support student learning, and will be signed each year by the parent/guardian, scholar, and teacher.

Parents & Guardians

I/We agree to:

- Read with your scholar for **at least** 15 minutes every night and complete all homework.
- Ensure my scholar is at school on time, in uniform, every day, and is only absent in the case of illness.
- Monitor my scholar's school work, homework, grades, and behavior reports by checking folder nightly.
